ALL OUTSTANDING APPLICATION DOCUMENTATION: Must be submitted to the Rockland County Department of Personnel no later than two (2) weeks prior to the exam date. Failure to comply with the deadlines set herein may result in the disapproval of your application; disqualification from sitting for the examination; and/or disqualification from a resulting list of eligible candidates. These deadlines are subject to change by the Rockland County Department of Personnel upon notice to a candidate.

INDUSTRIAL TRAINING COORDINATOR (OC) #88467010 (CONTINUED)

SUBJECT OF WRITTEN EXAMINATION:

1. Ensuring Effective Inter/Intra Agency Communications – These questions test for understanding of techniques for interacting effectively with individuals and agencies, to educate and inform them about topics of concern, to clarify agency programs or policies, to negotiate conflicts or resolve complaints, and to represent one's agency or program in a manner in keeping with good public relations practices. Questions may also cover interacting with the staff of one's own agency and/or that of other agencies in cooperative efforts of public outreach or service.
2. Preparing Written Material – These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.
3. Understanding and Interpreting Written Material – These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions **only** on what is presented in the passages and **not** on what you may happen to know about the topic.
4. Principles and Practices of Staff Development and Training – These questions test for the knowledge and abilities used to develop and deliver training. They address topics such as the assessment of training needs; instructional design; training methods and techniques; the use of training aids, materials, and technology; motivation; learning theory; classroom management; the evaluation of learning outcomes; and the usage of training-related data.
