**B. QUALIFYING PHYSICAL FITNESS TEST TO BE HELD ON OCTOBER 9, 2025:** Although these elements may not be directly representative of essential job functions to be performed by a Correction Officer, such elements have been determined by the Municipal Police Training Council to measure the candidate’s physiological capacity to learn and perform the essential job functions. An individual should not forego taking the written test or consider himself or herself ineligible for Correction Officer employment solely because he or she cannot now meet or may not be able to meet the current standards. The qualifying test standards are subject to change without notice to candidates. The Rockland County Department of Personnel reserves the right to charge the candidates a fee for participating in the physical fitness-screening test.

The Municipal Police Training Council adopted the physical fitness-screening test based on the model formulated by the Cooper Institute of Aerobics Research. The minimum passing scores, depending on age and sex, represent the 40<sup>th</sup> percentile of physical fitness. If a candidate does not successfully score to the 40<sup>th</sup> percentile of physical fitness for each of the elements, the candidate shall not be deemed to have successfully completed the physical fitness-screening test. Failure on the physical fitness-screening test will restrict the candidate from certification on the eligible list until and unless the candidate has successfully completed the physical fitness screening test during a second attempt opportunity. The qualifying test standards are subject to change without notice to candidates.

The three components measured are muscular endurance (core body), muscular endurance (upper body) and cardiovascular capacity. A brief description of the test items used to measure each component are as follows:

- **Sit-up – Muscular Endurance (Core Body)** – The score indicated is the number of bent-leg sit-ups performed in one-minute.
- **Push-Up – Muscular Endurance (Upper Body)** – The score indicated is the maximum number of full body repetitions that a candidate must complete without breaks in one minute.
- **1.5 Mile Run – Cardiovascular Capacity** – The score indicated is calculated in minutes: seconds (to be administered only to those candidates who have passed the Sit-Ups and Push-Ups).

**MEDICAL, PSYCHOLOGICAL TESTS AND FINGERPRINT CHECK:** If you receive a passing score on the Training and Experience Questionnaire and physical fitness portions of the examination, are reachable for appointment and are given a conditional offer of employment to the position of Correction Officer, you will be scheduled for a comprehensive medical examination, including a drug and alcohol screening, psychological test and screening, and fingerprint check. All candidates must meet the standards established by the Rockland County Department of Personnel and the Municipal Police Training Council. Copies of the complete, current standards established by the Municipal Police Training Council may be reviewed at the Rockland County Department of Personnel website: [www.rocklandcountyny.gov](http://www.rocklandcountyny.gov). The qualifying test standards are subject to change without notice to candidates.

**BACKGROUND INVESTIGATION:** New York State Law requires that each passing candidate be subject to a mandatory search of the criminal history records of the Division of Criminal Justice Services for the purpose of disclosing the existence of any possible disqualifying criminal record. Consequently, prior to permanent appointment, passing eligibles will be scheduled for a fingerprint check. At that time, pursuant to Chapter 548 of the Laws of 1976, the Division of Criminal Justice Services requires each request for such search be accompanied by a fee of \$76.25 (subject to change), to be submitted by the appointee. The refusal of the appointee to submit such required fee shall, in itself, constitute a declination of valid offer of appointment. Prior conduct and behavior as well as general reputation in the community will be reviewed to determine fitness of character. **CONVICTION OF A FELONY WILL BAR YOU FROM EXAMINATION AND APPOINTMENT; CONVICTION OF A MISDEMEANOR OR OTHER OFFENSES MAY SO BAR YOU.** False statements made on the application form may constitute a criminal offense and would likely cause removal from the position upon discovery. Military service, education and prior work experience are all subject to investigation and verification.

**TRAINING:** The training course required by Section 45(9) of the Correction Law must be satisfactorily completed during the probationary period following permanent appointment.

**USE OF LIST:** The eligible list will be established on the basis of passing scores received on the Training and Experience Questionnaire plus any additional veteran credits, if applicable. Passing candidates must then pass all qualifying tests as well as receive fingerprint clearance in order to be certified for permanent or contingent permanent appointment from the eligible list. Medical requirements must be met at the time of the medical examination and at the time of appointment. Appointments are made by the selection of an eligible whose final rating in the test is equal to or higher than the rating of the third highest ranking eligible on the list willing to accept the appointment at the time of canvass.
