WHAT THE JOB IS LIKE:
ASSISTANT OPERATOR, GRADE II-A (WATER TREATMENT) - This is technical work involving responsibility for assisting in the safe and efficient operation and maintenance of a Type I-A potable water treatment plant that treats over 2.5 million gallons per day. The incumbent may be assigned responsibility for plant operations during a specific shift or in the absence of the Chief Operator. The work is performed under the general supervision of the Chief Operator or a higher-level administrator. Work guidance (e.g., lead work) may be exercised over others. Incumbents in this title may be required to work outside regularly scheduled hours, work rotating shifts and remain on duty to maintain minimum staffing levels on the following shift. Does related work as required.

ASSISTANT OPERATOR, GRADE II-A (WATER TREATMENT) TRAINEE - This is on-the job training to acquire the necessary experience-knowledge to qualify at the level of competence required of appointees to the primary job. Generally, the minimum educational qualifications must have been met at the time of appointment. The work and study are performed under close supervision, direction and instruction of a specialist in the job field. Appointments to a trainee position will be to fulfill the experience and/or education requirements called for and will not exceed two (2) years. Appointees who satisfactorily complete their training program and probationary period, and who otherwise qualify, will be approved in the primary title without further examination. Does related work as required.

When completing the application, you must include the dates of employment, hours worked per week, job title, and primary duties for each position. Be specific—vague information will not be accepted. Incomplete applications or documentation may result in disqualification.

MINIMUM QUALIFICATIONS:
ASSISTANT OPERATOR, GRADE II-A (WATER TREATMENT) - At the time of application submission, you must have: Possession of a valid Grade II-A or higher* Water Treatment Operator certificate issued by the New York State Department of Health, proof of which must be submitted at the time of application.

SPECIAL REQUIREMENTS:
1. Possession of a valid driver's license appropriate to the kind and size of vehicles to be operated.
2. Must maintain a valid Grade II-A or higher* Wastewater Treatment Operator certificate throughout the course of employment in this title.

*Approved higher-level certificates include a Grade I-A Water Treatment Operator certificate.

ASSISTANT OPERATOR, GRADE II-A (WATER TREATMENT)/ASSISTANT OPERATOR, GRADE II-A (WATER TREATMENT) (TRAINEE) (OC) #50027010 (CONTINUED)

ASSISTANT OPERATOR, GRADE II-A (WATER TREATMENT) TRAINEE - Candidates are not required to possess the Grade II-A or higher* Water Treatment Plant Operator certificate at the time of application. The traineeship will provide the qualifying work experience necessary to obtain the certificate. A valid Grade II-A or higher* Water Treatment Plant Operator certificate issued by the New York State Department of Health must be obtained by the completion of the traineeship period**.

*Approved higher-level certificates include a Grade I-A Water Treatment Operator certificate.

**Traineeships shall last no longer than two years.

A single eligible list will be created from this examination. Candidates who qualify for Assistant Operator, Grade II-A (Water Treatment) will be certified for appointment before those who qualify only for the Trainee title. Candidates who meet the minimum qualifications for the full Assistant Operator, Grade II-A (Water Treatment) title will be certified at that level. Those who qualify only for the Trainee title will be certified as trainees and, upon satisfactory completion of the one- to two-year traineeship, will advance to the full Assistant Operator, Grade II-A (Water Treatment) title without further examination. Trainees on the list who later gain the required qualifications, during the life of the list, may submit proof of certification for review and be certified out in the Assistant Operator, Grade II-A (Water Treatment) title.

ALL OUTSTANDING APPLICATION DOCUMENTATION: Must be submitted to the Rockland County Department of Personnel **no later than ten (10) days after the submission of your application**. Failure to meet this deadline may result in the disapproval of your application; disqualification from sitting for the examination; and/or disqualification from a resulting list of eligible candidates. Deadlines are subject to change with notice from the Rockland County Department of Personnel.

EXAM ADMINISTRATION: The written test will be administered on a personal computer (PC) and **will be held on a weekday**. Candidates need no prior knowledge of computers in order to take the test. The test uses a simple point-and-click system that is thoroughly explained through an animated instruction program. Candidates will be given a sample test on which to practice before the actual test begins.
